City of Westerville Electric Division
Electric Rates

Schedule R: Residential Service

1) Availability. Available for residential service through one meter to individual residential consumers.

2) Rates. Applicable to each separately metered service:

	Winter	Summer
Customer Charge:	$4.00 per month	$4.00 per month
Energy Charge:		
First 800 kWh	$0.069 per kWh	$0.069 per kWh
All over 800 kWh	$0.02955 per kWh	$0.069 per kWh

3) Seasonal Periods. The winter period shall be the billing months of October through May and the summer period shall be the billing months of June through September.

4) Customer Charge. (Consumer Charge) The cost for the equipment such as the meter, as well as the maintenance of the service lines and distribution system.

5) Minimum Charge. Minimum monthly charge per meter for service shall be the Customer Charge.

6) Power Supply Cost Adjustment Charge. In addition to the monthly rates established in subsection (2) hereof, each consumer shall pay a Power Supply Cost Adjustment Charge established by the City Manager. The Power Supply Cost Adjustment Charge applicable to the rates set forth herein shall be set administratively by the City Manager on the recommendation of the Director of Finance and the Electric Utility Manager. The City Manager is hereby authorized and directed to review the Power Supply Cost Adjustment Charge not less than once each year. The City Manager may adjust the Power Supply Cost Adjustment Charge to reflect any anticipated increase or decrease in the City's cost of power from its suppliers or self-owned generation, or any past over or under recovery of power supply costs, provided City Council, after first being provided at least ten (10) days advance written notice, does not object. The Power Supply Cost Adjustment Charge shall not include power supply costs specifically recovered through any renewable energy or other similar special rate offered by the City. For bills rendered after December 31, 2011 the Power Supply Cost Adjustment charge is $0.04188 per kilowatt-hour.

7) Service and Contract Provisions. Upon accepting electric service from the City of Westerville the consumer agrees to the City's Terms and Conditions of Service. A copy of the Terms and Conditions of Service will be made available upon request.

8) Payment. Bills are due and payable in full on the fifteenth of each month.
