

CRITERIA FOR SIDEWALK REPAIR

List of deficiencies

- Sidewalk is broken or uneven grade
- Severe spalling (pitting) or surface deterioration
- Sidewalk has negative pitch (slopes away from street)
- Sidewalk sections project above walk grade (1" or more)
- Joints or cracks offset one inch or greater
- Excessive cracks – pieces less than two feet any direction
- Sidewalk with excessive slope, exceeding four inches in four feet
- Joint failure is evident
- Other condition causing an unsafe surface in the opinion of the City Engineer or other authorized Planning & Development Department personnel

To request or make an appointment for your walks to be re-examined please contact the Sidewalk Hotline (614) 901-6757 or e-mail your request to sidewalks@westerville.org
