(Westerville, Ohio) – The Westerville Divisions of Police and Fire are investigating suspected acts of arson that have occurred in residential areas this week.

The fires under investigation are believed to have been intentionally set to the exterior rear of each home. The four fires were set while the residents were in the home.

Residents are asked to be vigilant and report any suspicious activity around their home or their neighbors' homes to the Westerville Division of Police at (614) 882-7444.

Anyone with any information related to these fires is also asked to call police. Reports may also be made via the Police Tipline at (614) 901-6866 to remain anonymous.

Media inquiries may be directed to the Westerville Division of Police at (614) 901-6450.
