Additional information required for processing this application includes:

1. Provide a one paragraph summary which highlights the purpose and details of the proposal.
2. Provide a Legal Description of the property.
3. Provide two (2) full size copies (folded), two (2) copies (folded) no larger than 11" x 17", and one (1) digital copy of the Preliminary Plat drawing(s) prepared in a manner and format consistent with the requirements of Part 12 of the Codified Ordinances. Additional copies may be required at a later date. Digital copies of images, plans, or maps can be submitted in addition as well.
4. Application Fee of \$750.00 as per Part 12 of the Codified Ordinances and the Fee Schedule adopted by City Council. The subdivider shall pay such costs as are incurred by the City or County, as the case may be, to inspect the improvements which are installed, and to provide for plat or plan review, including, but not limited to, engineering and architectural costs and expenses.

Regular Planning Commission meetings are held on the fourth (4th) Wednesday of each month at 6:30 P.M. in Council Chambers at 21 South State Street unless otherwise noted. Applications must be filed at least two days before the previous month's meeting date (approximately 30 days in advance).

Revised: October 20, 2015
