GENERAL INFORMATION:

1. **WHO MUST FILE:** All Schedule JEDZ workers and part-year workers are subject to the JEDZ IncomeTax and required to file a tax return by April 17, 2018.

Non-resident taxpayers who have income derived within the JEDZ Township, and for whom the tax is not withheld by their employer, must file a JEDZ income tax return by April 17, 2018.

Anyone receiving a notice is on active status. Please notify the Tax Department in writing with full details of filing status changes for inactivation of account. If you are requesting that your account be inactivated due to moving from the jurisdiction with no intent to return, although retaining a mailing address within the jurisdiction as your address of record, please enter the date of your move and the reason, and attach supporting documentation with regard to your relocation.

2. Blendon Township JEDZ TAXABLE INCOME is defined as salaries, wages, commissions, and other compensation and would include but not be limited to: bonuses, incentive payments, directors fees, property in lieu of cash, tips, allocated tips, dismissal or severance pay, vacation and sick pay, excess group life insurance premiums, wage continuation plans, supplemental unemployment benefits, pension plan contributions, and other compensation earned, received, accrued or deferred before any deductions, income from jury duty, stock options, royalties (unless derived from registered copyrights, patents or trademarks), lottery winnings.

3. **NON-TAXABLE INCOME:** Military pay, social security benefits, interest, dividends, capital gains, permanent disability, alimony, child support, unemployment compensation, aid to dependent children, poor relief, workers' compensation, retirement pensions and annuities, and the net profits of any civic, charitable, religious, fraternal or other organization as specified in Ohio Revised Code Section 718.01.

4. **DOCUMENTATION:** All income, credits and deductions must be substantiated by legible copies of W-2s, 1099s, and proper federal schedules. Credits and deductions will be disallowed if not properly documented.

5. **ALLOWABLE 2106 EXPENSES:** Federal Form 2106 expenses are limited on the city return to the amount of the expenses actually deducted for federal income tax purposes for the year, subject to the 2% floor limitation. Therefore, if you can claim all the expenses reported on your Form 2106 directly on Schedule A of your Federal return without being required to file Form 2106, you may not claim these expenses on your city return. You must attach a copy of Federal Form 2106 AND Schedule A, and it must clearly indicate to what job the expenses relate.

6. **RETIREMENT PLANS:** No deduction is allowed for contributions made into IRA, Keogh, SEP, 401(k), deferred compensation, or similar retirement plans. Income may not be deferred for Blendon Township JEDZ taxes.
7. **CREDITS:** credit allowable for JEDZ worker is limited to our JEDZ tax withheld by employer. Partial year workers must figure their credit on **pro-rated income** taxed by JEDZ. Credit claimed must be supported by W-2's.
8. **PART-YEAR WORKERS:** A return must be filed by part-year individual working in the JEDZ for any part of 2017. Income, deductions, and credit may be allocated on a pro-rated basis or by employer verification (i.e., payroll check stubs or letter detailing income earned during Westerville residency).
9. **BUSINESS LOSSES:** Losses from self-employment and rental property may not be used to offset W-2 or 1099 income. Only related losses may be carried forward for a period of five (5) years (2017-2021 limited to a 50% carry forward) to offset future related income. Worksheet must be attached with break down.
10. **EXTENSIONS OF TIME TO FILE:** All taxpayers unable to file a completed return by April 17, 2018 must file an extension of time to file before the due date of the return. The City will accept copies of federal extension forms as appropriate Blendon JEDZ extension requests. Extensions may be granted for periods not to exceed one month beyond the federal extension. Any extension request received after the due date of the return may be subject to rejection. **IMPORTANT: An extension is not an extension of time for payment of tax.** Payment of any tax balance due must accompany the filing extension request. Even though an extension has been granted, penalty and interest will be charged from the date the tax should have been paid (without extension) until the date of payment. Notice of extension authorization will not be sent unless requested.
11. **PENALTY AND INTEREST:** Returns received after a postmark of April 17, 2018 will be subject to penalty charges of 15% and interest charges of .50% per month on taxes not paid by the due date of the return.
12. **UNDERPAYMENT PENALTY:** Ninety percent of tax liability should be paid by December 15, 2017 to avoid penalty assessment on 2017 filing.
13. **SIGNATURE:** The tax return must be signed and dated. Please provide email address and daytime phone numbers for the taxpayer and the tax preparer.
