

The Uptown Improvement Project involves pavement resurfacing and sidewalk replacements along State Street, between Walnut and Home Streets. These improvements will result in compliance with the Americans with Disabilities Act (ADA). Additionally, traffic signal components will be upgraded throughout the project area. Westerville City Council has approved the following:

PARK TO HOME STREETS

- Replace curb one-foot closer to the center line, both sides of street
- Replace sidewalk to meet ADA requirements
- Install bump outs at the following locations:
 - North side of the drive near Westerville Division of Police Headquarters
 - Intersection of State and Winter Streets Westerville City Hall crosswalk with a pedestrian-activated flasher
 - At the marquee at 8 N. State St.
- Incorporate transit (i.e. taxi, valet) as needed
- Street furniture: bike racks, landscaping

WALNUT TO PARK STREETS

- Replace damaged curb, as needed
- Sidewalk repairs, as needed
- Install a bump out at the Westerville Public Library/ West Plum Street crossing with a pedestrian-activated flasher
