Funeral services for Dr. Ernest Scott, 59, who died in his sleep Monday night at his residence on State Route 161, from heart disease, will be held privately at the home at 10:30 this morning and publicly at the Indianola Presbyterian Church at 2:30 p. m. The body will lie in state at the home from 9 to 10 o'clock. Rev. J. Chester White will have charge of the service there.

Dr. George W. Rightmire, president of Ohio State University, will be among the speakers at the afternoon service which will be attended by faculty and students of the University's college of medicine.

Credited by Dean J. H. J. Upham of the medical college for success of its centennial celebration last week, Dr. Scott, head of the department of pathology, conducted classes as usual Monday. He was a son of William Henry Scott, 93, of 3451 N. High St., only living former president of the university, obtained his bachelor's degree at Ohio State in 1897 and was graduated from Ohio Medical School in 1900. He studied histology and pathology in postgraduate work at Frieburg, Germany and Vienna.

Besides his father, he is survived by his widow, Mrs. Mabel Lee Scott; two daughters, Dorothy DeLong Scott and Mrs. Robert Keyes; two brothers, Dr. Charles F. Scott, head of the Sheffield Scientific Institute at Yale for many years, and Rev. Herbert Scott, Rochester, N. Y., and two sisters, Misses Emma and Bertha Scott of Columbus.
